## Work Experience

### Lead Product Designer — Oct 2024 - Present

Clear

- Led **design strategy** for Clear's India and Global B2B portfolio: **8 products, 1,500+ enterprise customers, 4 countries.**
- Designed and built **Tax Assurance**, VAT and SST filing for Saudi Arabia, Malaysia and France, working with each customer's tax team and **building with AI agents** on Clear's AI platform. In market with **6 customers**.
- Owned Notice Tracker end-to-end, evolving from designer to **Product Manager** by leading roadmap, design, delivery, and GTM efforts that generated **₹2.3 Cr revenue**, **85% adoption**, and a **90% success rate**.
- Improved **AI data extraction accuracy by 65%** for notice summaries and reasons.
- **Mentored and guided 2 junior designers**, fostering skill development through structured playbooks that led to their successful ownership of key product features.
- Built a **unified B2B design system**, then encoded it as an **AI skill** PMs and engineers build with, enforced by **26 automated design checks**. Reduced **design-to-dev cycle time by 50%.**
- Collaborated with Sales and Pre-sales to drive product and design innovations, increasing enterprise **conversion rates by 60%.**

### Senior Product Designer — Mar 2022 - Oct 2024

Clear

- Led **end-to-end design** for GST, Notice Management and IMS, delivering them on accelerated timelines.
- Designed data-driven UX improvements that reduced **customer support tickets by 30%**, improving user satisfaction on high-traffic flows.
- Set up a product, design and support **feedback loop** to catch pain points faster.

### Product Designer — Mar 2021 - Mar 2022

Clear

- Localised **E-invoicing** for India and Saudi Arabia, driving rapid adoption.
- Designed **platform-level** access controls and workspace settings for scale.

### Product Design Intern — Aug 2020 - Feb 2021

Freshworks

- Researched competitors to redesign **Freshdesk onboarding**, improving engagement.

### Manager — Aug 2016 - May 2018
